

Delete A Plan

Last Modified on 06/12/2023 10:20 am PDT

Go to **Plans** and then select the plan to delete.

When you delete a plan, you can no longer add subscriptions to it. All existing subscriptions associated with the plan will be canceled.

To delete:

1. On the plan details page, click **Delete**.
 2. Confirm that you want to delete the plan by clicking **Delete** in the popup window.
