Qualpay supports credit card transactions from all four major card brands; Visa, MasterCard, Discover, and American Express. Qualpay also supports level 2 and level 3 purchasing cards. Check cards or debit cards with either a Visa or MasterCard logo are supported and treated as a credit card.

All accounts with Qualpay are automatically set up to accept Visa, MasterCard, and Discover. If you would like to add or remove American Express, please [contact our customer support team](#).

Qualpay does not support private label or procurement credit cards (such as department store credit cards).

Your customers can use Google Pay, provided your Qualpay account is enabled for the card type presented in the digital wallet.

Qualpay also supports [ACH payments](#). If you would like to add or remove ACH payments, please [contact our customer support team](#).
