

Qualpay Platform Status Page

Last Modified on 04/23/2018 12:36 pm EDT

You can view a real-time status report of all Qualpay's platforms in one place by going to <http://status.qualpay.com/>. You can subscribe to updates from the status page. Status updates can be received via email, SMS message, or through an RSS feed. Available for viewing are system uptimes, scheduled maintenance, system metrics, and past incidents.

System Uptime Statuses Available:

Payment Gateway API

Customer Vault and Recurring Billing API

Invoicing API

Merchant Application API

Reporting API

Qualpay Manager and Partner Manager

Virtual Terminal

Qualpay Webhooks

Embedded Fields API

Qualpay Checkout
