

# Uninstall the Qualpay Gravity Forms Plugin

Last Modified on 08/29/2018 3:17 pm PDT

You can uninstall the Qualpay Gravity Forms plugin from your WordPress web store at any time, for any reason. However, if you do wish to uninstall the plugin, you should be absolutely certain of the decision prior to following the below steps.

*Warning: This operation deletes ALL Qualpay settings from the web store. If you choose to continue and uninstall the plugin, NO settings will be saved or retrievable.*

To uninstall the Qualpay plugin:

1. Log into the WordPress admin dashboard.
2. Click *Forms -> Settings -> Qualpay*.
3. Click *Uninstall Add-On*.

The Qualpay plugin is now uninstalled, and all saved settings deleted.
