Download the Qualpay Gravity Forms Plugin

Last Modified on 07/21/2023 12:59 pm PDT

Downloading the Qualpay plugin for Gravity Forms directly from Qualpay will ensure that you install the most current version of the plugin available. To download the plugin:

1. Visit the Qualpay Developers Portal to download the current plugin for use with Gravity Forms.
2. Click **Download Plugin**. The plugin is saved to your computer.
3. Note the location and name of the downloaded file for later. By default, the plugin is named "gravityformsqualpay.zip".

Now you will install and activate the plugin itself.
