

Reconciling Qualpay Transactions to WooCommerce Orders

Last Modified on 08/03/2023 5:27 pm PDT

Once you have [processed an order with your WooCommerce web store](#), you can quickly locate and reconcile your orders using the Qualpay Manager's robust reporting engine (using either your [sandbox](#) or [production](#) Qualpay account).

Follow the description in the table below to reconcile your Qualpay Transactions and WooCommerce orders.

WooCommerce Order Status	Qualpay Transaction Status
Captured (Processing)	Captured
Refunded	Refunded
Void (Canceled)	Voided
Settled (Completed)	Settled
Authorized (On-Hold)	Authorized
Partial Refund	Refunded (Amount refunded)
