

# How To Register For Surcharging With The Card Brands

Last Modified on 11/26/2019 10:30 am PST

When your business adds [surcharges](#) to your transactions, you first need to notify the card brands that you will be adding a surcharge to your transactions.

[Click Here To Register With Visa](#)

[Click Here To Register With MasterCard](#)

*Note: American Express does not require prior notification. Discover requires that you contact Qualpay at least 30 days prior to adding surcharge.*

After you have notified the card brands of your intention to surcharge, please [contact Qualpay support](#) so we can enable surcharges on your account.
